Hole in One Policy: Conditions for payment of Subsidy for Shout

The Hole in One subsidy is met from the Golf Club budget. The Target Hole on the Pines is not an officially recognised hole therefore a hole-in-one does not qualify for subsidy or certificate. A subsidy of up to \$250 is available for members shouting on achieving a Hole in One providing the following conditions are met:

- 1 The player must be a full financial member of the Pauanui Golf Club. (NB This excludes visiting and Junior members although they will receive a certificate.)
- 2 The Hole in One must take place on a course operated by a NZGA affiliated Club during

an official Club competition. The player must be playing with a member of an affiliated Club. A signed card must be produced as proof of achievement.

- 3 If the “shout” is given at Pauanui, payment will be by means of a voucher on the Club bar. No cash refund will be given if the cost is less than \$250. If it has been given at another club the member will be reimbursed in cash with the amount spent up to \$250. (Proof of the amount spent is required, e.g. bar slip).
- 4 If a Hole in One is achieved outside of a Club competition day a certificate only will be presented (ie. No voucher issued). The validity of a Hole in One claim must be approved by the Match Committee before the subsidy is paid.
- 5 All players achieving a Hole in One during official competitions will be entitled to a small trophy with the ball mounted on it. This is conditional upon the player surrendering the “Hole in One” golf ball to the Golf Club Committee.

Conditions for Cups & Trophies:

All participants in these competitions must be members of the Pauanui Golf Club and hold a valid handicap index.

In all Stroke/Match Play Events, the advised final date of each round will be shown on the published draw on the Golf Club notice boards. These dates are to be strictly adhered to. The top name on the draw sheet is responsible for contacting the other player/players to arrange a date. If no contact can be made the Match Committee Convenor is to be advised and the player on No. 1 tee at 1.00pm on the final date for the match will win by default. The Committee reserves the right to grant dispensations only in exceptional circumstances. Members are responsible for checking and playing off their current handicaps, unless maximum handicap rule applies. The draw for any match play event will be available at the Golf Shop the day following that on which entries have closed. The draws will be seeded for Club Championships only.
